Special Notes:

Let your child's creativity shine this summer at Young ARTists Summer Camp! Designed for boys and girls entering second and third grade, this fun-filled camp introduces important visual art concepts through engaging, hands-on projects. Campers will explore a variety of artistic techniques such as drawing, painting, and mixed media. Each day will focus on a different artistic concept, allowing students to build confidence in their creative abilities while working on unique, take-home portfolio of their masterpieces at the end of the week. In addition to learning essential art skills, campers will enjoy fun, interactive activities that encourage self-expression, problem-solving, and collaboration with fellow young artists. Our camp fosters a positive and inspiring environment where children can develop their artistic talents while having fun. (Please note: If there are any disciplinary issues that are a distraction from our creative time, parents will be called to pick up their student and the student will not be allowed to return -There will be no refunds). No prior art experience is necessary—just bring a curious mind and a love for creativity! Spaces are limited, so reserve your spot today!

Medical Info:

Medical information: I agree to hold Wall ISD and the directors and workers of the camp harmless in the event of an injury or accident during the course of the camp. I also give the staff of the camp permission to secure medical treatment for my child in an emergency situation.
